RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Commissioner for Patents  
Washington, DC 20231

Sir:

We are in receipt of the Notice to File Corrected Application Papers mailed February 11, 2003. It is believed that this Notice was mailed in error. The Notice indicates the fifth inventor had not executed the declaration.

The Declaration that was filed on August 22, 2002 was actually in three parts. One part contained five signatures, the second part contained those same five and one additional signature and the third part contained the fifth inventor alone.

In response to this Notice, submitted herewith are copies of the Declaration as filed with the Response to Notification of Missing Requirements on August 22, 2002. You will note the fifth inventor had actually signed on a Declaration sheet by himself.

It is therefore believed that all requirements were complied with on August 22, 2002. If anything further is needed, please contact the undersigned immediately.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,

MCDERMOTT, WILL & EMERY
